# MESSAGE FROM THE PRESIDENT

March 2012

Wow, what a great winter this has been so far for waves! Just a little reminder that I was reminded about a few weeks ago, if you are in any doubt that your leash is in top condition, CHANGE IT!

If you haven't paid your yearly dues yet, please bring cash or check for Waylon to Wednesday night's club meeting at the Palomar. There were a couple bumps that the club has been working through but it looks like we are finally seeing light at the end of the tunnel. Thanks to EVERYONE for all their hard work in getting these problems resolved.

Make sure you put on your calendar, the bowling night on March 10th and the surf bbq at Cowells on March 17th. Let's get a good crowd going to both! We are also having a contest meeting this Sunday morning at 9:00 am at Kelly's Bakery. I would love to see all your faces there!

The log jam is coming up and I am not sure if there are any openings left, but contact Carl if you are interested in competing.

See you all this Sunday and/or next Wednesday!~  
Mahalo,  
Scotty

### Permits / Insurance for Contest

- I have contacted City to initiate the process for this years event
- topics that I have brought up
- fire inspection/permits for food vendors
- scaffolding/special event permit changes
- update everyone with any new news I have heard

### Sponsorship

- go over finalized copy of letter
- discuss approach to fundraising given our current “non-profit status”
- Who is going to contact which vendor(s)?

### Judges

- Cindy: who is going to be on the judges stand this year?
- Any changes for this year?

### Trophies

- Scotty has been doing some work. He will catch us up on what he has been doing.
- Cool ideas with “Tile Wizard” in San Jose!

### Merchandise

- We have had our first submission.
- Jane has been super-busy with an attempt to save our non-profit status. Hopefully we can help her catch up on the merchandise stuff
- does anyone have any submissions?
- guidelines from Jane? Rym?

### Food Booth

- Maria has contacted the folks at Tacos Nayarit – she says that they are able to help us this year
- Maria will supply us with details of her conversation with the Taco Crew
- Sounds like they have necessary permits / insurance etc
- we should probably just double check requirements w/ what they have

### Roster / Tabulation

- Rym: update on worksheet for prospective contest entrants? Any progress?

### Contest Party

- Anything special this year? Or are we just going to let Boccis Cellar have their way?
